THE MATS

SILPAT® · SILPAIN · ROUL'PAT

The mat you have always
dreamed of

A must-have for everyone, whether you're a professional or home baker. It makes prepping and baking a piece of cake, every time.

• **100% made in France** •

- **Versatile** (pastry, baking, chocolate-making)
- **Versatile non-stick mats** for sweet and savory baked goods
- **Can be used for freezing**, fermentation, and cooking
- **Available in many formats**
- **Compatible with different tray sizes**

Have everything you make **come out perfect and cooked evenly.**

Patented Silpat® technology fiberglass and non-stick food-grade silicone.
