

**Everyone needs to multi-task.** In a busy kitchen, every tool has to work overtime. The heavy-duty Immersion Mixer by Hamilton Beach Commercial easily keeps up, with a smart blade design that chops and mixes ingredients quickly without making a mess.

# cleanability

When the shift is over, you need a mixer that can be sterilized fast so it's ready for tomorrow.

## HMI 200 Series

### Immersion Mixer

**Heavy Duty** - Long-life motor construction and stainless steel chopping attachment designed for foodservice applications.

**Flexibility** - Detachable chopping attachment plus two speeds give professional kitchens the flexibility they need to purée soups and sauces right in the pan, whip egg whites, cream butters & mix batters with ease.

**Stainless Steel 9"/ 23 cm Shaft** - Not only does the thick 9"/ 23 cm shaft reach into deep pots and bowls, it detaches for easy cleaning.

**Innovative Blade Guard** - Keeps prep areas neat and saves time by reducing messy splashing and clogging.

**Double-Insulated** - With two-conductor cord for easier use and storage.

**Specifications:**
